- Language Arts and Language Usage are separate courses that are blocked together as one class with two grades.
- “*Accelerated*” courses are stand-alone courses that serve students who require their curriculum to be advanced. Students must qualify for these classes.
- “*Differentiated*” courses are regular courses that serve all students. The students who require enrichment receive it from the teacher in class.
- Students that receive Title I services are supported through the regular curriculum with support through the Title I teacher.
