

All Queen Bee District 16 schools offer a breakfast and lunch program daily and participate in the Community Eligibility Program. This program allows your student to receive breakfast and lunch at no charge. In addition, we also offer milk at no charge to all students.

“Grab-n-Go” Breakfast

At Glen Hill, Pheasant Ridge and Americana, breakfast will be offered at the beginning of the school day. Students at Pheasant Ridge and Americana will eat in their classrooms. Students at Glen Hill will eat in the gym. The breakfast kits offered include a variety of General Mills whole grain cereals, crackers, and 100% juice. Children are also offered a serving of fruit and milk with breakfast. We offer breakfast at Glenside, however students eat in the Cafetorium.

Research has shown that starting the day with a nutritious breakfast helps students stay alert and perform better at school. Having breakfast in the morning also helps children develop healthy eating habits and contributes to their overall wellbeing. We encourage you to participate in the school breakfast program.

Our Lunch Program

Your student will receive a color lunch and breakfast menu the first week of school. As part of the National School Lunch Program, our meals meet federal nutrition standards ensuring students receive a variety of fruits, vegetable, whole grains, lean proteins fat free milk each school day. Meals must also meet new limits on calories, trans-fat and sodium.

Our program is offer vs. serve, which allows children to have many choices. Students at Glen Hill, Pheasant Ridge and Americana will have a choice of one hot entrée and two cold entrees. Glenside students have a choice of two hot entrees. **There will be a vegetarian option available daily for all students.** To make a complete meal the children choose three or more of the five components of the meal and must include at least one fruit or vegetable serving. The components of lunch consist of grain, meat/meat alternate, milk, fruits and vegetables. We have hot vegetables, fresh vegetables, fresh fruit, canned fruits, and 100% juice available weekly to encourage a variety of fruit and vegetable consumption.

Mealtime Online

Mealtime Online is available 24 hours a day for you to monitor your child’s account activity. Glenside parents may also make deposits to their student’s accounts for ala carte purchases using this system.
